Last Chance for Westercon 2011 Site Selection

Help to decide the location of the 64th Westercon. Be sure to come by the table in the Palm Foyer and vote! Open Friday from 1p-7p. Voting fee is \$25 and this gives you a supporting membership in Westercon 64, no matter who wins! We can accept payment by cash, check, or credit cards. Make your checks payable to *Westercon 64*.

Last Chance to Cast Hugo Ballots

Voting for this year's Hugo Awards closes at 8:59 PM tonight (just before midnight EDT). If you are a member of this year's Worldcon, you can still vote online at www.anticipationsf.ca/English/Hugos. You'll need your Hugo PIN; however, if you don't have your PIN and you can get at your e-mail, you may still also have time to send e-mail to hugofinals@anticipationsf.ca to request a replacement. If you can't get to a computer, look for Kevin Standlee in his white "Captain WSFS" uniform and

he will try to help you vote. Remember that you don't have to vote in every category; even if you just want to cast one or two votes, representatives of Anticipation, this year's Worldcon, want to help you vote.

Westercon Business Meeting Results

The Westercon Business Meeting gave first passage to a proposal to repeal the existing rule that prohibits sites within 75 miles of the current Westercon from bidding to host the Westercon two years hence. This proposal will be sent on to next year's Westercon for ratification. If the proposal is ratified next year, it would first apply to the 2013 Westercon site selection to be held at the 2011 Westercon.

The Business Meeting scheduled for 1 PM Saturday will not be held unless there is a problem with site selection. The results of site selection are expected to be published in the Saturday morning edition of the newsletter, and if there is any reason to hold the Saturday afternoon Business Meeting, it will be announced in the Saturday morning newsletter. Results of Site Selection are official as soon as announced by the Site Selection administrator, and therefore we expect that the results will be made public around the convention later this evening.
